

Press release

The HAPPY GERMAN BAGPIPERS is definitely the most extraordinary bagpipe show band in Germany, perhaps also in Europe. The leaders of the band are Falk Paulat and Friedhelm Ricklefs. With their "Entertainment Pipe Music", they played their own successful sound. The band masters a concert program with traditional bagpipe music, samba, rock'n roll and many show elements. The highlights were appearances with the Red Hot Cilli Pipers, the Gunhild Carling Band and at Classic meets Pop. Performances in the Netherlands, Scotland, Hungary, Bulgaria, Croatia, Poland and Punjab / India. The Scotland Tour 2013 was a great honor for the band. Especially the invitation to the Youth Festival in Aberdeen (2nd place out of 21 music groups) and the Fringe Street Festival in Edinburgh! There were concerts on the ferries, as well as in Dundee, Braemar, St. Andrews, Stirling and in the streets of Edinburgh.
